EDUCATION

- **Master of Science (MSc) in Poultry Science** | Bangladesh Agricultural University (BAU) | 2015
  CGPA: 3.85/4.00
- **Bachelor of Science (BSc) in Animal Husbandry** | Bangladesh Agricultural University (BAU) | 2014
  CGPA: 3.73/4.00

THESIS/PROJECT

- Thesis Title: Effects of feeding different doses of tryptophan on growth performance of broiler chickens.
- Research Assistant: Project: Effects of feeding different levels of phytobiotics as alternatives to antibiotics on broiler growth performance and meat yield characteristics, Funded by (R&D), Ministry of Science & Technology, Bangladesh (2014-2016).
  Role: Experimental design, data collection, laboratory analyses, and statistical analysis.

INTERNSHIP EXPERIENCE

Intern | Poultry Farm & Research Unit
Bangladesh Agricultural University (BAU) | 2014

• Assisted in day-to-day poultry farm management, including feeding, housing, and health monitoring.
• Supported data collection on broiler growth performance and feed efficiency.
• Participated in laboratory sample preparation and basic analysis.
• Gained hands-on experience in poultry nutrition trials and farm-based research activities.
• Maintained accurate records of experimental data and farm observations.

TECHNICAL/SOFTWARE SKILLS/SOFT SKILLS

- Microsoft Office Suite (Excel, Word, PowerPoint)
- SPSS, Stata, R, EndNote, etc.
- Critical thinking
- Communication (verbal and written)
- Leadership and team management

LANGUAGE SKILLS

- English (proficient)
- Bangla (native language)

VOLUNTEER & COMMUNITY ENGAGEMENT

- Volunteer, Blood Donation Campaign.
- Member, Debate Club.
- Member, Career Development Club

PROFESSIONAL MEMBERSHIPS

- Bangladesh Animal Husbandry Association (BAHA)
- World's Poultry Science Association – Bangladesh Branch (2015–2023)

REFEREES

1. **Dr. Habibur Rahman** | Associate Professor, BAU | r.rahman@sau.edu.bd
2. **Dr. Humayun Kabir** | Senior Scientific Officer, BLRI | h.kabir@blri.edu.bd
